

DisplayLink DL-5000 Series Product Brief

4K/UHD/2K/HD Single and Multi-head USB Docks

From the world leader in USB graphics, Synaptics introduces the DisplayLink DL-5000 series, an SoC family created to extend the DisplayLink USB graphics adapters to 4K Ultra-High Definition monitors and displays. The DL-5000 series allow OEMs to offer support for ultra-high resolution 4K/UHD display technology. Based on the industry-leading DL3 codec the DL-5000 series offer the same benefits of low latency and high quality graphics, now for 4K.

Ideal for end customers wanting a 4K solution for conference room displays, digital signage, or to enable an existing PC or Mac computers to support the latest 4K monitors; all from a single USB connection.

Product Applications

USB3 to 4K Graphics

- Desktop productivity
- Conference rooms

USB3 Universal Docks

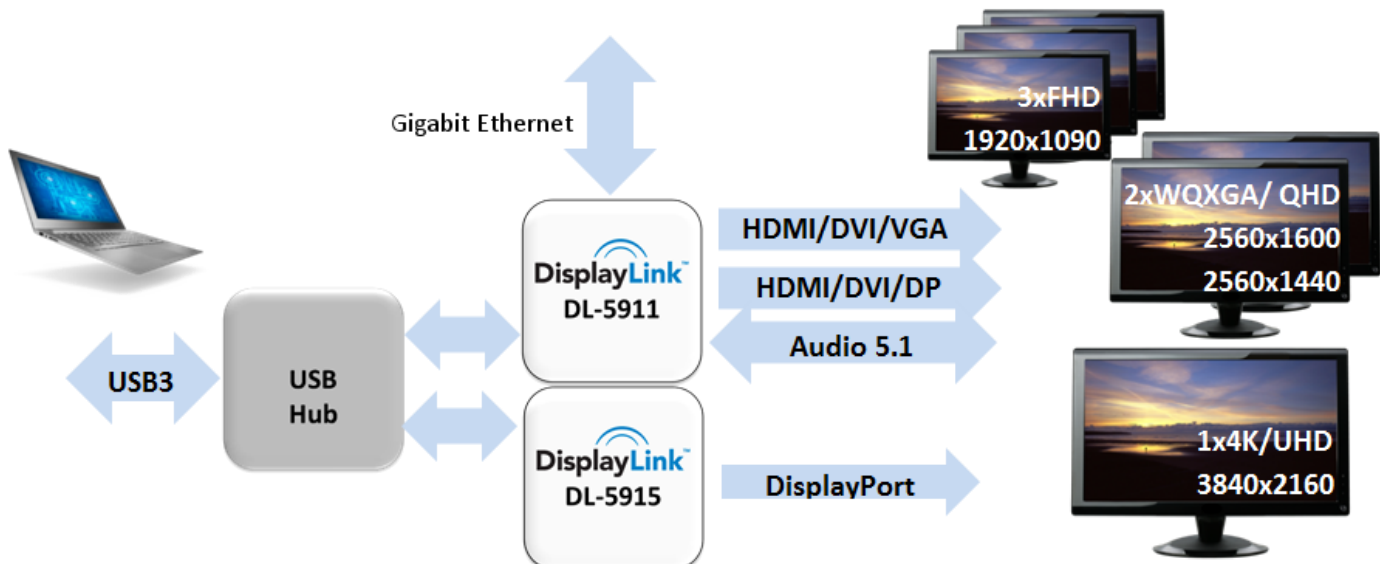

- 1x 4K display or 1-2x 2K display or 1-2x HD display with 4K/UHD dock with built-in Gigabit Ethernet and audio from a single USB connection

Benefits

- Compatible with new USB Type-C or legacy USB connectors
- High quality with low latency
- 100% compatible with existing DL universal docking
- Can be used with other DisplayLink products to enable up to 6 USB displays
- USB bus power (no external power supply needed)

Features

- Up to 3840x2160p30 output
- Backward compatible with QHD and HD monitors
- DisplayPort 1.1a interface
- HDCP 1.x for protected video playback
- Integrated DisplayPort Audio

DisplayLink Certified Plug and Display

DisplayLink Certified products are thoroughly tested in our labs to guarantee interoperability with the vast DisplayLink graphics ecosystem. Regular software updates ensure a lifetime of performance enhancements.

Look for the DisplayLink Certified Plug and Display mark.

DisplayLink Compression – DL3

- Ultra-Low latency
- Clear and crisp text and graphics
- Link aware-Adapts automatically to bandwidth constraints
- Compression tuned for video content and high quality graphics
- Uncompromised UHD video quality
- Compatible with HDCP 2.0 encryption
